Robert Wayne Guy Jr.

Dear Kops,

I made this for you. Fuck you.

Sincerely,

*Murdered While In Custody
of "King County Jail"*

Billboards liberated
in San Francisco!

Robert Wayne Guy Jr.

Died while strapped down
and sprayed with pepper
spray, in King County Jail.
All police investigations are
handled within the department
with no outside accountability
and in total secrecy. Until
there are truly accountable
citizen review boards, this kind
of shit will keep happening.

PIG

At first I wanted to call
you pig. But then I realized that
that attacked you, and I don't
know you. What I meant to say
is that you represent the
enforcement of policies inflicted
by powerful elements of this illegitimate
economic system that thrives on
exploitation, greed, and destruction.
What I meant to say is where is
your humanity? What I meant to
say is can't you imagine a better
world? What I meant to say is
that I hate this capitalist death
trap that makes homeless people starve
in oases of immense wealth, and
then has the audacity to call them
the problem. I think the problem
is your damn laws based on your
fucked up world view, pig.

Police tactics

The Associated Press
DIRECT PEPPER: Two photographs taken from a videotape show what Headwaters Forest Defenders allege are police officers rubbing the eyes of protesters with cotton swabs soaked in liquid pepper spray. The tape, taken by police on Oct. 16 at a protest in the Eureka, Calif., offices of Rep. Frank Riggs, R-Calif., showed protesters sitting on the floor screaming as deputies pulled back their heads and applied the burning substance. The group was protesting logging plans in Northern California.

Who is the THREAT in this picture?

To serve and protect?

Do you still think Cops are your friends?

"Respects Authority" as a quality encouraged in primary education looking to someone smarter, more able to lead the way

Trust those who tell you what to do they say (they said)

Hard work is a virtue and consumption will make you happy

I have found things that make me happy and they have more to do with experience and new paths in search of free existence than with going to the mall on Saturday

Profit is sin, the church used to teach and to resist is to win, revolution is within reach

I feel it in the physical and know it in my mind that authority does nothing for me and capitalism is a crime

when honest people go hungry and the greedy eat caviar

I feel the need to resist, not enable this monster to persist unfettered and unchecked

believing in its virtue for I know the lies are obviously untrue

Why the FUCK is it illegal to skateboard? Sounds like some bullshit law designed to give pigs an excuse to harass kids. The only two times I've been harassed by cops for skating (the only two times I've skated in Olympia) I was nowhere near anyone else who could hear it, besides the people I was skating with. And don't give me that for-your-own-good shit, pig. You harassing me while I'm having fun with my friends does nothing for my own good and does nothing for you but fulfill some fucked up power/authority trip you're on. Leave me alone and go eat a donut or something - STOP HARASSING KIDS, PIG.

Revolutionary Terrorist Council Resolution #4672b (adopted Feb. 27, 1998)

The RTC hereby demands access to all chemical weapons used by the police, including pepper spray and tear gas due to the fact that they might be used unjustly, as they have been in the past. We demand an end to the freedom embargo funded by the rich, designed by the government, and enforced by the police. We denounce representative democracy as an extremely limited form of democracy and call for the immediate implementation of direct democracy. Until these demands are met, we will continue to resist, by all means possible, limited only by our ability to create and struggle in support of new societies founded on freedom.

BEWARE

Armed bands are roaming the highways and marching through your neighborhood.

They may even try to enter your home!

Watch for these gang identifiers:

Vehicles: Sports cars, four-door sedans, and vans, often painted black and white or blue and white, with sirens and flashing red and blue lights.

Clothing: Well kept dress uniforms, usually blue or black (gang colors), and adorned with patches and badges. Head-wear varies. Other accessories include gun belts, handcuffs, hand-held radios, and large flashlights.

Armaments: Handguns, shotguns, assault rifles, tear-gas rifles, billy clubs, shields, bullet-proof armor, helmets and face-shields.

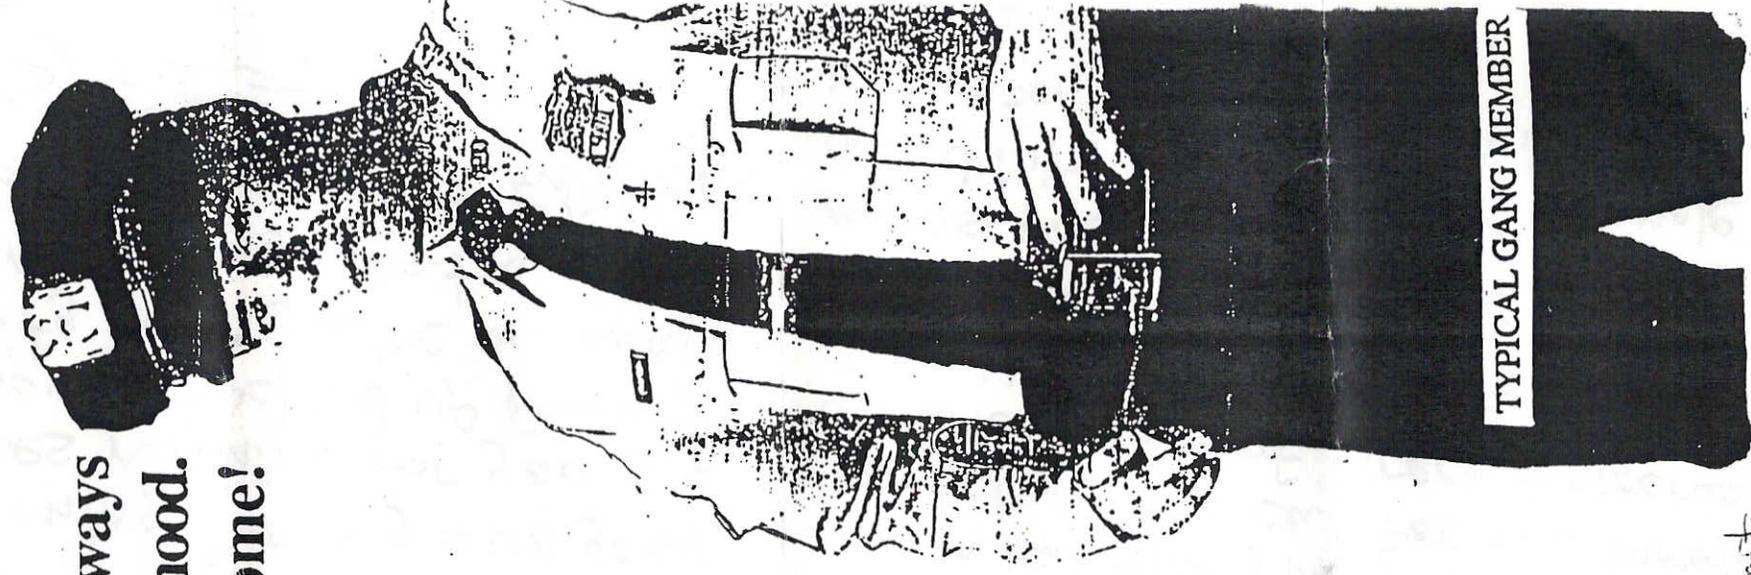

Demeanor: Surly and hostile or aggressively friendly

These gangs are highly organized, well armed, and potentially violent. Warn your friends and neighbors

Do Not Provoke Them!

Do Not Let Them Corner You!

Protect Yourself

I'll start apologizing to "good" cops when they start apologizing to bad cops.
